

INDUSTRY + ACADEMIA + INNOVATION
FOR A FUTURE-READY WORKFORCE

Bridging Ideas. Building Futures.

PROPELX ACADEMIA

Empowering institutions to create
industry-aligned learning, innovation
and real-world opportunities.

OUR FOCUS AREAS

CoE Development

Establishing Centres of
Excellence for future-ready
skills and research.

Skill Programs

Practical, industry-relevant
programs to build job-ready
graduates.

Entrepreneurship & Incubation

From ideas to impact —
nurturing the next generation
of founders and changemakers.

Academic Transformation

Modernizing education with
innovation, technology and
industry collaboration.

Industry Connect

Bringing real-world exposure
through expert sessions,
mentorship and partnerships.

Future Workforce Readiness

Equipping students with
the skills, mindset and confidence
for tomorrow's world of work.

Let's Build What's Next

Stronger Institutions | Skilful Students | A Smarter Tomorrow
